## Annual Report of the Committee of Management, 1962

To the Members of the Richmond Football Club,  
Ladies and Gentlemen,

Following a long run of depressing reports, on teams which have gradually caused the Club to slide down the premiership ladder, the Committee of Management is pleased to be able to report on your team which is now showing signs of restoring the Club to its rightful position in the V.F.L.

During the home and home games, the team's performances were marked by a revival of our traditional fighting spirit which resulted in every game being fought out to the bitter end. The only game which was lost by any great margin was against Geelong at Geelong, where the home side was at the peak of their form. Many games were lost by the narrowest of margins, including two to the Grand Finalists, Essendon and Carlton, who defeated us by one straight kick in the dying minutes of the games. A lack of pacy, small players and a good full forward caused our downfall in these games. All efforts are now being directed towards filling these requirements and towards building up our reserves to cover losses through injuries. Next season's practice games will provide a line on whether our search has been successful.

Highlights of the 1962 season were the winning of the Night Premiership, our first senior win since 1943, and a near miss by the Under 19's, who were defeated in the Grand Final. The Night Premiership was a great boost to players, officials and supporters alike, and was greatly appreciated by the loyal band of supporters. The size and calibre of the Under 19 players all goes well for the future and promises to supply a good stock of reserves for the senior team.

Much of the credit for the improvement in the team rests with the coach, Des Rowe. His personal interest in the players, combined with a stern discipline, has supplied him with a spontaneous loyalty and lays a solid foundation for a good team.

One depressing feature on an otherwise bright horizon comes with the loss of Ron Branton, one of our all-time greats, to coach Myrtleford in the Ovens and Murray League at a record fee. Ron's personal and playing record around your Club has been so great that, very regretfully, your Committee had to recommend that his clearance be granted. He goes with the Club's best wishes but he will be sadly missed, both as a player and a person.

The tremendous potential of all leading players such as Swift, Barrot, Patterson, Guinane, Gahan, Dean and Williamson, none of whom has approached his peak years, causes us to look to the future confident of success. Certainly there are still gaps to be filled but they are now fewer than for many years. An intensive recruiting campaign, drawn up on very selective lines, has been embarked upon and it is the honest belief of your Committee that there are brighter days ahead.

### OUR VICE-REGAL MEMBER

It was again our good fortune to have Sir Dallas Brooks as our No. 1 member and to have the strong support of his family, especially Lady Brooks and his grandson, Christopher Byrne.

Despite his extremely arduous duties and a holiday in England, Sir Dallas and his family honoured us by attending the Footscray game, played on our home ground. Unfortunately, victory was snatched from our grasp in the dying moments of the game, much to the Vice-Regal party's dismay, but they left the ground happy with the improved form of their team.

It is with regret that we learn of Sir Dallas' proposed retirement, but are pleased to record that he intends to continue his association with the Tigers. He will hold our No. 1 ticket. His interest in the Tigers is greatly appreciated by both the players and the Committee.

#### **OUR PRESIDENT**

Should the improvement of the team continue during season 1963 and ultimately bring us the success we so desire, this success will be the reward to the industry and loyalty of those officials who have stuck to the Club despite a disheartening lack of success in recent years. Foremost in line for this reward must be our extremely popular President, Maurie Fleming. His never-ending application to the task of lifting the Tigers to a higher plane has endangered his health and alarmingly reduced time for his private life, yet he never wavers from his task. Only a great faith in the Club can support this kind of endeavour and never was this faith more evident than in our President.

The goodwill he has created for the Club amongst the gentlemen of the Press, Radio and T.V., business men and in country areas is immeasurable and amongst these people his name is honoured and because of such, so is that of the Richmond Football Club.

His administration has placed your Club in a very sound position, whilst his personal interest in the players of our four teams has created a new high level of contentment amongst them. Truly he is a pillar of strength to the Tigers.

#### **CHAIRMAN OF COMMITTEES**

Ray Dunn again occupied this extremely important position which involves holding the chair at Financial and Executive Sub-Committee meetings, where the financial and administrative policy of the Club is decided. It is a real tribute to his interest in the Club, that he can afford time from his busy legal practice to attend general committee meetings let alone these various sub-committees.

A fine combination of legal training and a knowledge of accountancy ensures that the policies of the Club are based upon the soundest possible reasoning. If time is money, then Ray Dunn's donation to the Richmond Football Club is astronomical when its relative value is assessed, but, by the same token, it is difficult to visualise these Committees without him, such is his great value to your Club.

#### **DELEGATES TO THE V.F.L.**

Messrs. Bill Tymms and Jack Titus were retained as your representatives on the V.F.L. General Committee.

During the season, both of them were appointed to important positions on the various sub-committees of this body, Bill as Treasurer and to the Executive Committee, whilst Jack, your former champion forward, took his place on the Permit and Umpires' Committee. Both of these appointments carry considerable prestige with them and are a fine reflection on the Club.

The work of these two delegates is greatly appreciated by your General Committee because their reports keep the Club in close touch with the policies of the governing body.

#### **THE CLUB EXECUTIVE AND FINANCE COMMITTEES**

The only change in the personnel of these sub-committees from last season came with the resignation of Bill Tymms as Secretary, he was replaced by his successor, Graeme Richmond, but Bill retains his position as Treasurer, together with Messrs. Dunn, Boord, Garraway and Fleming again comprised the balance of the Finance Committee, whilst Charlie Priestley, as Social Secretary, sits on the Executive.

The duties of these Committees, which are appointed from the General Committee, are all-important to the welfare of your Club. Many complex financial or administrative problems, which are impossible for the General Committee to handle in limited time, are referred to, and studied by, these Committees.

The sound financial and administrative position of the Club is a tribute to the wisdom of the members of these Committees, the majority of whom are top businessmen. Therefore, your Club has a sound basis upon which to set about lifting its team on the field.

#### **SELECTION COMMITTEE**

The composition of this Committee remains unchanged from last season. Charlie Priestley (Chairman), Jack Titus and Bill Tymms again were elected by the General Committee, whilst Des Rowe (Coach) and Ron Branton (Captain) automatically make up the balance.

The previous policy of this Committee, based on a programme of systematic team-building, was adhered to and is now showing results. The Selection Committee, despite considerable criticism which arose from the fact that the team hit an all-time low in the previous two years, is to be admired for its courage and it is confidently predicted that these same critics will be answered in full very shortly.

During the season, only a minimum of omissions were made and generally players were given a very reasonable chance to show their best and the wisdom of this policy was reflected in considerably improved performances during 1962. We now have a very big, young and keen team which, with an infusion of two or three pacy, small players, can at last lift Richmond back to the top.

#### **THE VICE-PRESIDENTS AND COMMITTEEMEN**

Ray Dunn, Jack Dyer and Ron Garraway are the Vice-Presidents, whilst Committeemen are Alf Barnett, Martin Bolger, Al Boord, Charlie Callander, Peter Cameron, Bob Dickinson, Basil McCormack, Bill Pitt, Charlie Priestley, Des Rowe, F. Hunter Smith, and Jack Titus. Neither group of officials being changed from the previous season. Therefore, your Committee again has a leavening of former star players in Martin Bolger, Jack Dyer, Basil McCormack, Charlie Priestley, Jack Titus and Des Rowe continuing their efforts to lift your Club off the field as they once did on it.

Ray Dunn, the senior Vice-President, is deputy chairman of the Committee in addition to his other capacities as chairman of committees and Honorary Solicitor. For someone whose business is so busy, responsibilities such as he has with the Club occupy a major part of his spare time. It is a great tribute to Ray's loyalty to Richmond that he manages to do as much as he does. Jack Dyer has an important influence on the performance of the team on the field by his conscientious application to his job as Honorary Room Manager. This task involves welcoming and introducing new players as well as co-ordinating the various functions of the training room. In addition, Jack is always available for recruiting trips and is a very valuable asset on these missions. Ron Garraway, who is a very successful businessman, has an important influence on the financial and administrative policies of the Club. Ron is also very interested in recruiting work.

Alf Barnett is a fine social worker for your Club and raises a substantial sum of money in this capacity. Al Boord is a top business executive and brings a sound administrative knowledge to the sub-committee in addition to being an invaluable employment officer. Charlie Callander, known as "the Prince of Property Stewards," has the longest active association with the Club of any

present-day official. His industry and humour make him one of the foremost personalities of your Club. Peter Cameron is a tireless worker on the social side of the Club and has proved himself to be a distinct acquisition thereto. Bob Dickinson is another successful businessman who lends his knowledge to the Club's administration and is active in social work. Basil McCormack does much good work in his speciality, recruiting, and has again been instrumental in our signing several good prospects. Charlie Priestley, in his many duties as previously detailed, is a real tower of strength to the Club. Jack Titus is another who does much administrative work for the Club and is also a very busy social worker.

The members of the Club can rest content that their Committee is rich in the varied talents required for their positions and is working solidly towards making 1963 a successful season.

#### **THE PUBLIC RELATIONS OFFICER**

We are indeed fortunate that this position is occupied by a widely acclaimed master of his particular field, Maurie Fleming. Despite a lack of success on the field in recent seasons, the prestige of your Club among the various sporting bodies and charities of this State has never been higher. Maurie has the unique gift of never failing to do the right thing at the right time and has therefore won for the Club a wide array of admirers who also usually are donors to the Club, and as a practical example of his work, the donors' list this season totals £1,450, a remarkable effort for an unsuccessful Club.

#### **COACH FOR 1962**

Des Rowe has, through tremendous application to his task and his own personality, won the deep respect of both players and officials alike at Richmond. He is a strict disciplinarian and he has brought a strength to the coaching at your Club which has been absent for many years.

A successful businessman, Des makes great personal sacrifices to coach the Tigers and in so doing sets an example of sacrifice which is a splendid lead to his players. The great revival of Richmond's fighting spirit can be largely attributed to him and we feel, Des, that your real reward is not far distant.

#### **CAPTAIN AND VICE-CAPTAIN**

Ron Branton will go down in the history of the Richmond Football Club as one of its greatest players and captains, therefore it was only a routine matter for his appointment to be approved for season 1962. The tragedy of Ron's career is that in his three years as captain, the Club never met with greater success, despite tremendous efforts on his behalf, both on and off the field.

Neville Crowe was appointed to the position of Vice-Captain, but injuries and illnesses prevented him from reproducing his best form, much to everyone's disappointment. However, we anticipate following a complete recovery, over the summer, Neville will return to his best.

#### **PLAYERS**

Improved form and greater enthusiasm call for heartiest congratulations to our players for 1962. Thirty-eight players took the field this season, and ten first-year players were selected.

Congratulations to Interstate Representatives, Ron Branton (who was unanimously adjudged best on the ground at Adelaide), Neville Crowe and Graham Gahan.

Players' representatives on the Committee were Ron Branton, Colin Saddington and Neville Crowe. They all demonstrated a keen interest in the affairs of the Club and generally proved themselves to be very able representatives for their team-mates.

During the season, John Robertson, Colin Saddington, Kevin Callander, Ron Serich and Brian McMillan all had the misfortune to suffer serious injuries and thus affected the performances of the team. All have now completely recovered.

#### **TRAINING ROOM STAFF**

Ern Bishop, Kevin Elms, Lyle Johnson and Lyle Richmond were new appointees to the Training Staff for 1962. All of these new hands showed enthusiasm for their work besides establishing themselves as good fellows around the Club.

The application of the Training Staff to the preparation of the players for the games, both physically and mentally, is an important function which generally goes unsung. Most players will vouch for the assistance they receive from their trainers. Mr. Irvine Booth, the Head Trainer, has become a real pillar of strength to the Club not only because of his professional competence but because of his qualities as philosopher and friend to the players of all four teams. His handling of young players sets an especially fine example to his colleagues. Alby Keyhoe is of the same mould and does great work in his capacity as head trainer of the Reserves.

To Jim Evans, Ray Julier, Keith Cleaver, Syd McCrae and Max Watson, in addition to those previously mentioned, your Club owes a debt of gratitude for work in not only their official capacities but also for great work in the social field.

#### **HONORARY DOCTOR AND PHYSIOTHERAPIST**

Your Club was again fortunate to have the services of Dr. Leo Grogan and John Stanley in the above positions during Season 1962. These two talented professional men tend to the injuries that must necessarily come with such a vigorous, tough game as League football in a very skilful manner.

Doctor Leo Grogan is one of the real personalities of your Club, as well as being a widely known Richmond identity. Despite a very busy practice, Doc. is always available to all and sundry and gives his usual competent attention to them.

We are indeed fortunate to have as our Club Physiotherapist one of the leaders of his field on the local scene. John Stanley makes great sacrifices to afford the time required for his job with the Club.

To Mr. W. G. Doig, Honorary Orthopaedic Surgeon, and Dr. L. G. Hudson, Honorary Consulting Surgeon, we owe a sincere vote of thanks for services rendered to Richmond during 1962.

#### **BEST AND FAIREST**

For the third successive season, Ron Branton was judged to be the best and fairest player. His sequence of wins is a club record and ensures that Ron Branton's name will forever be emblazoned in our history, a fitting reward for a very fine career. Ron also polled well in the Brownlow Medal.

Ron was pressed in the best and fairest voting by a much improved player in our big, young centre half-forward, Pat Guinane, who we all hope can now fulfil his tremendous potential.

#### **J. D. LANGDON TROPHY**

The best and fairest award in the Reserves went to Barry Cameron. His play was consistent and determined which, combined with good form in the Night Series, raises hopes for his future.

#### **J. J. SMITH TROPHY**

Don Murray won this trophy, awarded annually, for the best and fairest player in the Under 19 team. Don provides the Club with a further addition to its already well-equipped ruck squad.

### **BILL COSGROVE MEMORIAL TROPHY**

The best first-year player was adjudged to be Ian Hayden, who therefore wins this trophy donated by Don Cheeseman. Ian has followed a fine amateur career by showing sufficient promise in his first season to raise high hopes for his future in the Yellow and Black.

### **LIFE MEMBERS**

Your Committee has recommended that two players, from widely separated eras, be appointed to the coveted Life Membership list of your Club. Ron Branton and Stan Judkins, who was the Brownlow Medallist of 1930, have both earned these awards by meritorious service on the field.

### **FIVE-YEAR PLAYERS**

With the end of the 1962 season, Pat Guinane and Fred Swift qualify for five-year certificates. Both are keen players in our climb back to the top and it is to be hoped that these five years of good service are only a prelude to several more better ones to come.

### **RICHMOND CRICKET CLUB**

Once again the Football Club is indebted to our neighbours, the Cricket Club, for a season of friendly co-operation. To Mr. Jim Cook (President), who, at the time of writing, is recovering from a serious illness, and Syd Dockendorff (Secretary), one of our former players, we owe a vote of gratitude. Mr. Dave Goodson, who is the Cricket Club representative on our Committee, has added much thought to the discussions therein, besides bringing two very good juniors to us. Mr. Noel Baragwanath (Treasurer) is another of their officials who has assisted us with recruiting, especially in our new district of Jordanville and Waverley.

Ron Carr and his groundsmen are to be praised for their maintenance of the ground which, in our opinion, was kept at a very high standard this season.

Good luck to the Cricket Club in 1962-63 and it is to be hoped they can retain their position at our time of writing, the top of the list.

### **RICHMOND RESERVE EIGHTEEN**

The Reserves again had a good season by furthering the development of good young players such as Lance Behan, Brian McMillan and John Richmond, who have great potential for the future. To Dick Harris (Coach), who has been of great assistance to Des Rowe during the season, and to Bill Pitt (Manager), who has been an efficient delegate to the Reserve League, and to Alby Keyhoe (Trainer), a conscientious worker, we approve a general vote of thanks.

The Reserves now have the opportunity of developing potential League players under full match conditions and this provides invaluable experience for them.

### **RICHMOND UNDER 19 TEAM**

Disappointed in the Grand Final after fighting their way to the top during the season. A good, big side, there has already been one league player, Roy Selleck, to come from their ranks this season and herein lies their real success. Bert Haswell (Manager) and Lyle Richmond (Trainer) gave great assistance to Graeme Richmond (Coach) as well as providing the boys with the best of attention.

### **RICHMOND FOURTHS**

This team was studded with outstanding 15-year-old players in an under 17 competition and more than held their own with much older boys. The good work of Coach Bill Boromeo and Manager Ron Cadman will bear fruit at a later date. Ron was

appointed to his position following the deeply mourned death of one of the identities of the Melbourne Boys' League, the late Dave Beaven.

### **PLAYERS' PROVIDENT FUND**

A payment of £4 per match was made to this fund which is really a gratuity to players, redeemable upon their retirement. Your Committee feels that this bonus payment will increase parallel with the expected improvement of the team.

### **DONORS TO CLUB'S FUNDS**

Once again our donors, who have loyally supported the Club through very lean years, have continued their great support in 1962. A select band of donors, organised by Ray Dunn, which includes Messrs. Kennedy, Millner, Stretton, Forbes, Wiltshire, O'Shea, Graves, Roberts, Cheeseman, Malpas, Garraway and Hunter Smith, have given great support to the Yellow and Black in 1962 and we would look forward to their continued support in seasons to come. To Messrs. Arthur Dummett, Kevin Blake and Syd. McKay, who have supported all our fund-raising mediums and special efforts for the players during the season, a special vote of thanks. Mr. Ray Dunn has entertained the donors at his palatial home in Windsor during the season on our behalf and we gratefully acknowledge this fact.

To all our other donors for season 1962, a sincere vote of thanks for their great support of the Club.

### **DONORS OF TROPHIES TO PLAYERS**

Once again it was the good fortune of the players to be generously supported by donations for their playing efforts and we wish to thank them for their generosity. Following is a list of donors to the players:—

Messrs. Berwick, Stretton, Durgan, Dickinson, Dean, Donald Don, Garraway, Mandie, Dunn, Dr. Grogan, Kennedy, O'Brien, Ryan, Hunter Smith, Wright, Bolger, Hutchins, Boord, Thompson, Bart-ram, Sheahan, Gibson, Williamson, Power, McPhail, Denzil Don, Forrest, Laidlaw, Hoadley, Wiltshire, McCormack, Quirk, Shuilberg, Pearson, Stanley, Cheeseman, Crowe, Cook, Blair, Henry, Dummett, Griffiths, Fleming, Tymms, Titus, Smith, Phillips, Rolfe, Wild, Lewis, Sharp, Kennelly, Mr. and Mrs. Alexander, Richmond, Korman, Walker, Greene, Wilkinson, and Hopkins.

### **SOCIAL COMMITTEE REPORT**

Once again our tireless social workers have played an important role in the raising of funds for your Club. Under the capable direction of Charlie Priestley (Secretary), Alf Barnett, Charlie Callander, Peter Cameron, and Bill Pitt, who form the Social Committee, the following workers have been very active in this field. Ron Cadman, Don Butterworth, Ray Julier, Dick Harris, Syd. McRae, Irvine Booth, Alby Keyhoe, Max Watson and Keith Cleaver.

Our Pleasant Sunday mornings were very well patronised, mainly due to the fine organisation of the Social Committee, to the many fine artists who made their services available and particularly because of Arthur Lyster, the popular sporting editor of 3AW, who maintained his usual excellent form as compere. On the rare occasions when Arthur was unavailable, Ron Branton and Ted Langridge proved to be very popular and capable substitutes. To our artists, Peter Langdon, Max Reddy, Roger and Bill Harkin, Tom Campbell and his Melody Centre, Tex Donohue, Joff Ellen and Bill McCormack of GTV fame, as well as all the other accomplished artists, we owe a sincere vote of thanks.

Our annual cricket matches against Laverton, where the R.A.A.F. Sergeants' Mess overwhelmed us with their generous hospitality, and versus the Cricket Club at Seaford, were outstanding successes. These games are an important means of maintaining contact with the players during the summer, besides providing them with fine social outings. Our Annual Barbecue at Mr. and Mrs. Ron Garraway's property at Mt. Eliza was the usual highly successful outing.

The monthly dances and the barbecue were generously patronised. They add a light interlude to the serious business of League football.

A father and son night was introduced as a means of strengthening family support of the Yellow and Black.

The opportunity was taken during the mid-season break in home and home games to arrange a match against the Alberton League at Yarram, which proved very successful. This type of fixture enables us to propagate the Tigers in the country, gain first-hand knowledge of the capabilities of recruits in the area, as well as providing a welcome let-up for the players from the tension of V.F.L. games. The organisation by, and hospitality of, the local officials was first rate.

### APPRECIATION

With the development of League football as the top spectator sport in this State, there comes a diversity of situations and problems which can only be solved with the assistance of many helpers. Whilst we have tried to enumerate them individually, there could be some that we have missed and to these worthy people, we intend no offence but, instead, offer our sincere appreciation of their good work.

On behalf of everyone connected with the Richmond Football Club we offer our thanks to:—

#### OBITUARY

With deepest regret we record the death of the following well known identities of the Club:

BILL McDONALD

DAVE BEAVEN

THEO. LEWIS

CLARRIE ROBERTSON

FRED CHATTO

Long may they live in our memories. To their families and relatives as well as to other members and supporters, who suffered bereavements during the past year, we extend our deepest sympathy.

#### END-OF-SEASON TRIP

Once again a party of players and officials, as well as donors of the Club, made, what has become, an annual visit to Surfers' Paradise for the end-of-season trip.

The management and staff of "The Beachcomber" provided their usual excellent accommodation and fare, as well as making every attempt to make our stay with them as comfortable as possible.

The duration of our stay went all too quickly, mainly due to the carefully prepared schedules arranged by the Manager (Charlie Priestley), and his assistant, Peter Cameron, who handled all aspects of the trip with their usual efficiency. Dick Grimmond, Roy Selleck and Graeme Jacobs proved themselves to be as fast at swimming as they are at football. However, on the day of the challenge relay race against the officials, a tactical move which involved the delaying of Dick Grimmond, assisted the officials to a dubious victory.

The usual Surfers' Paradise attractions of water ski-ing, inland trips and convivial night spots helped to provide an endless variety of entertainment.

These end-of-season trips provide a well-earned rest for everyone connected with the Club because, with the addition of the night premiership series, as well as the increasingly intensive training involved, the seasons are becoming progressively more arduous.

#### SECRETARY'S APPRECIATION

At the termination of my eighth year with the Club, I am sincere when I state that the Tigers have turned the corner and are definitely a final four prospect for next season. The winning of the night premiership confirms that opinion and was a fitting climax to a year that promised so much but produced few premiership points. The ability to win matches was not forthcoming until the latter end of the season, but with a string of five victories we can confidently look forward to a continuance in 1963.

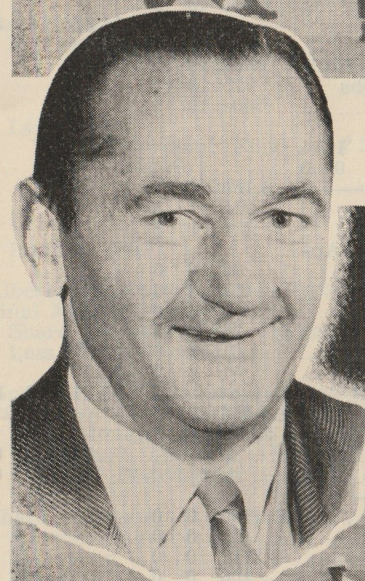

During this year I would like to record my appreciation and thanks to your President, Maurie Fleming, the Committee, Staff and Players for their co-operation, courtesy and assistance in the many activities involved in the running of the Club.

I would respectfully urge that all members continue their loyal support for 1963 as I feel sure that they will be amply rewarded by virile and tenacious displays by a team that will revive the past glory of Tigerland.

Bill Tymms, Secretary.

## PRESIDENT'S ADDENDUM

At the conclusion of another excellent year of effort for our Club, I have great pleasure in expressing appreciation to the Committee, Players, Training Staff and Members for their co-operation.

In particular, I desire to pay a special tribute to Mr. Ray Dunn, Deputy-Chairman of the Club, for his outstanding work for the Tigers during the year and for his generosity with trophies and entertainment for all connected with us. Ray undertakes all legal work associated with the Club in an honorary capacity, and this is also of great benefit to Committee and Players personally. His reputation as a Host in looking after the wants of our donors on match days at Richmond, has won him the esteem of many good supporters of the Tigers and of other Clubs. As my Deputy-Chairman, I cannot say enough to this grand official for his frequent advice and assistance in carrying out my duties as President. Ray has again been returned unopposed as Vice-President for a further term of three years, and so will be able to continue his splendid work for the Club.

To Des Rowe (Coach) and to Ron Branton (Captain) of our successful Night Premiership team, and to all players on our training list, we say a sincere thank you from the members. Des has been a tireless worker for us, and has not spared his time and energy in his efforts to mould the team into a strong and courageous side. He has been ably assisted by Dick Harris, and our other junior coaches, Graeme Richmond and Bill Boromeo. Ron Branton has been a wonderful inspiration to his team-mates since he took over the captaincy in 1960, and yet his own football has not suffered as he has won the best and fairest trophy in those three years. Ron polled well in the Brownlow Medal and won the A.B.C. award, as well as our trophy in 1962. He has now accepted as playing coach at Myrtleford, succeeding former Tiger, Jim Deane, and will be working under the Presidency of another Richmond player in Len Ablett.

Whilst we are sincerely sorry to lose Ron Branton as a leader, player and clubman, we feel we echo the sentiments of all football lovers when we wish him every success at Myrtleford where he will be in business with his charming wife, Marj., who has been such a great assistance to him in his duties at Tigerland. Ron has also completed a 10-year playing term with the Tigers, with a consequent Life Membership, and this will be presented to him at the Annual Meeting, with other trophies won during the season as best and fairest player. At a send-off given by the Club at Des Rowe's Vaucluse Hotel to Marj. and Ron, a presentation was made to them of a car wireless from everyone associated at Richmond, and many fine tributes were paid to both for their work for us.

After giving more than seven years of valuable service to Richmond as Secretary, Bill Tymms has resigned to take up private employment. However, Bill will still be with us on the Committee and we trust will continue to help the Tigers in their fight for a premiership. His work as a delegate to the V.F.L. brought honours to Richmond and to himself as he was elected as Honorary Treasurer and an Executive Officer of the League, a fitting reward for his application to his duties as delegate. I would like to thank Bill personally for his co-operation with me and his wonderful work for the Tigers during his term of office.

Our new Secretary, Graeme Richmond, was selected from many applicants for the position. Already he has shown such

keenness and energy in his work that his success seems assured. Graeme has served the Tigers as a player, captain of our Third Eighteen, coach of our 3rd and 4th Eighteens with great credit, and we are certain that he will carry the good wishes of all Tigers in his new position.

Charlie Priestley and his excellent Social Committee of Alf Barnett, Charlie Callander, Peter Cameron and Bill Pitt, aided by an energetic body of honorary workers gave us a splendid year and raised a record sum for the Club with the many functions organised throughout the season. The total expenses of the end-of-season trip to Surfers' Paradise were paid out of social funds, thanks to Charlie and his Committee. A special vote of thanks to two fine workers for the Tigers in Jack Titus, surely one of the greatest special efforts workers we have ever had, and to Arthur Lyster, Sporting Editor of Radio 3AW, who has been our honorary Comper at many functions during 1962. Appreciation of everyone at Tigerland to Noel and John O'Brien for their donation of goods for our social activities.

I wish to thank all members of the Committee, the Players and the Training Staff for their work for Richmond, and hope for a continuance of their loyal support in the coming season. To the Committeemen who have been returned unopposed in Messrs. C. Callander, B. McCormack, C. Priestley and J. Titus, we offer our congratulations. Assisting our Honorary Medical Officer, Dr. P. L. Grogan, and Physio-Therapist, Mr. John Stanley, we have had the services of Dr. L. G. Hudson and Mr. W. G. Doig available in an honorary capacity to help with our injured players, and we convey our sincere thanks to all for their efforts for the Club.

To the gentlemen who have assisted Mr. Ray Dunn form his special committee of donors, we offer our thanks, and we express appreciation to Ray for entertaining these gentlemen and members of the committee and their ladies at his home on two occasions during the year. To the list of donors to our funds who have again contributed more than £1,425, and in addition who have provided trophies for the players, we say a hearty "thank you" for the encouragement they give to us each season. The healthy state of the finances of our Club is a definite tribute to their generosity.

To the ladies and gentlemen of the Press, Radio and Television for their continued assistance with publicity for the Tigers, we offer our sincere thanks. Our special sub-committee of membership ticket sellers and agents, and especially Messrs. Norman Eyre, Laurie Sleith, Lawson Muir, Pat Hall and Les Roberts, are deserving of our appreciation for their efforts. Once more, the officials of our sister-club, The Richmond Cricket Club, in Mr. Jim Cook, Noel Baragwanath and Syd Dockendorff have been most co-operative. We are pleased to report to our members that Mr. Jim Cook and Mr. Percy Maybury, who have both been ill, are now making rapid improvement in health.

I wish to make a special appeal to Richmond supporters to become members of the Club. Membership tickets are indeed the life blood of a sporting club and although we draw well at the gates, our membership is much too small for a Club with the tradition of the Tigers. In conclusion, let us hope that Season 1963 will see the Tigers in the Final Four and be strong contenders for the Premiership, thus repaying our loyal members for their great interest in our fine Club.

Maurie Fleming, President.
